In our step-by-step guide, we will walk you through every step necessary to qualify for and file a Louisiana mechanics lien. Louisiana does not have statutory lien waiver forms, so you can use any lien waiver form. A.(1) If a statement of claim or privilege is improperly filed or if the claim or privilege preserved by the filing of a statement of claim or privilege is extinguished, an owner or other interested person may require the person who filed the statement of the claim or privilege to give a written request for cancellation in the manner provided by law directing the recorder of mortgages to cancel the statement of claim or privilege from his records.(2) If a statement of claim or privilege identifies an owner who is not liable for the claim under R.S. 9:4806(B), that owner or another interested person may require the person who filed the statement of the claim or privilege to give a written request for cancellation in the manner provided by law directing the recorder of mortgages to cancel the statement of claim or privilege from his records insofar as it affects that owner and his interest in the immovable. The provisions of this section do not apply to a contract for single family residence or dual family residence. Also, these contracts are absolute nullities and the owners may not end up actually paying, so functionally it is a very bad idea.
